# SCHOOL NEWS

Welcome to a new and exciting school year at KCS! I want to extend a warm welcome to all our students, families, and staff, both new and returning.

King's is committed to providing a safe, supportive, and engaging environment where every student can thrive. Our dedicated team of Christian educators is passionate about inspiring a love for the Lord and for learning and helping each child reach their full potential.

We also believe that education is a partnership between home and school, and we value your involvement in your child's educational journey. Throughout the year, you will have numerous opportunities to engage with our school community, whether through parent-teacher meetings, school events, or volunteer opportunities.

As we begin this school year, I encourage our students to embrace new challenges, explore their interests, and build lasting friendships. Parents, thank you for entrusting us with your child's education. We are excited to work together to make this a memorable and successful year.

Paul Sutherland
