

Staff Changes

As the year 2017-2018 draws to a close, we would like to say farewell to two of our staff that are leaving and welcome the two new teachers joining us next fall.

Dan Demeter and Rick Luth have blessed the KCS community for multiple years and as God has called them to new ventures, we wish them God's richest blessing. Thank you Dan and Rick for your faithful service and although we are sad to see you leave our doors we are thankful for the blessings you have imparted.

We welcome Jonathan Koch and Melody Wiebe (Stanyer) to our school for 2018-2019. Jonathan has recently joined the teaching ranks and will be leading our grade six class. Jonathan has specialties in the area of Physical Education, Social Studies and Digital Film making. Melody (grade 7) is returning to our school in a new capacity, one that actually fits her training. Melody has a Bachelor of Arts degree with a focus on both English and the Fine Arts. We are excited to see Rick's work carry on via Mrs. Wiebe.

Give thanks to the Lord, as He continues to provide godly individuals with a passion to reveal himself in all His glory to our students on a daily basis.

Mr. Brandsma on behalf of the Board and Education Committee
